feel its worthwhile. And maybe Guard can even work out a guest speaker for us.

Uri, did u say ALL addicts have insecurities? Or just IT?

No IT has an extra stash of them.

If he'll be even more insecure than he is now, then the nuclear stuff will just get worse...

Let him be a little more relaxed while US hatches a plan to land a missile in his ear.

I agree, IT25 - as much as I'm looking forward to hearing the Kumzitz (preferably before I'm in an old-age home), the primary purpose is to play together and enjoy.

However, a recommendation? if you have an extra minute or two beforehand, do a test-run with all the instruments and singing, and see how it comes out.

Kumsits in Israel: BIG News
Posted by Momo - 04 Jan 2010 14:27

Duvid Chaim wrote me that he's leaving for Israel this week, and he'll be in Israel for 3 weeks.

I wrote him about our kumsitsim, and then invited him to join our next kumsits, and he accepted!

IT25, can we arrange to have another kumsits at your place within the next 3 weeks (starting from next week)? I think it would be awesome to have one with Duvid Chaim!

What do you and the olam think?

(We can have Rav S come at the kumsits after, since Duvid Chaim is here only for 3 weeks, we want to have him first.)

truthfully i feel bad. Because this time the main part of the kumzitz was not recorded. Upon request, of course. But there were so many special things that went on that night, its just too bad. But i guess you gotta be there to expiernce it.
