Posted by imtrying25 - 08 Dec 2009 16:48

We , imtrying25 and Uri, are trying to organize a kumzitz for all us Holylanders. I would of posted in annoucments but its locked. Ok im thinking next thursday night at around 6. Of course Uri will be there with his guitar to entertain us. Oh and by the way Guard and Mom are invited too. So if your interested please post here. Although we dont need a big crowd we still have to

lol hmm i see i caused a ruckus! ne'er mind all's fair in love and war! i should really explain what i meant be'arichus its along the lines of what trying and "momo round 2" thought. so here goes. feel its worthwhile. And maybe Guard can even work out a guest speaker for us.

we do whats right not what we feel we should do

I dont know + dont think that i am the only one with this thought sometimes when logging on to gue, its a fleeting thought that goes through my conscious mind "what the bleep am i doing in this loony bin of patronising bozo's" or "these guys are self confessed crackpots" or "im a thousand times more normal then these guys" then i stop and think who you guys are how you guys are taking on the world that beleives acting out is kinda normal how you guys support each other, are there for one an other that it makes me proud to be part of the community, and it makes me realize where in the world i am.

momo i posted my previous reply because **i did** understand your point

This would make for a great Chizuk E-mail, but I don't think Guard would do it without some serious editing.

I'm in for a few shekalim. Just let me know how much. It's the least we can do. You are giving up your house and getting the food.

Kol hakavod!

I'll try and find some 7Up to make sure she's represented properly. ;D

Ok, one type of food for everyone who won't be there will be too expensive. How about you just tell us which songs you like instead. :D
