

Parenthesis

Posted by Trouble - 10 Oct 2019 14:24

so, I said the parenthesis in zakkah yesterday - several times. the first time, before yk actually started, I was a bit distracted and I skipped over it. heck, I never actually "did it." I mean, it was there for the taking, but for some reason I held back. I even told her about those damned parenthesis! she understood. but then once yk got rolling, and I had the opportunity to say it several more times, I actually said those words. I told God and myself that it really made little difference. yes, the frummies and the midrash quoters will spew that stuff about actual cohabitation with an idolatress, a gentile woman! and even one who is not your actual partner. I am actually reminded now that she was in fact Jewish, a bas mitzvah, and all. got called to the Torah, wow! but I reasoned that this justification crap was going too far. you think my wife would go for the technicality that there wasn't penetration!? bottom line, I was too close for comfort, I mean it was comfortable and more, but it's not a position I wanna be found in. I certainly don't wanna be caught that way, but besides that, I'd rather not even entertain that possibility, although I actually found those thoughts slipping in several times throughout the day. am I being clear? I hope so.

I'd like to make a second half post to this and that will be about the zakkah in general. why all the women, Keri, etc. talk? but I'm running outta time now. sorry for the non-capitalization. my notes app doesn't do that for some reason.

im really really sorry!

im not the type of person (i would like to think) who would say anything that bothers a person.

(only if someone is jabbing at me and thats the way ya gotta talk to him.)

sorry and bln i will get around to editing my posts.

and i dont think ur being silly.

no one has to be a macho man on gye.

and alot of ppl that fake being macho men are really insecure whimps. im not referring to anyone specific, just in general.

"no one has to be a macho man on gye.

and alot of ppl that fake being macho men are really insecure "

who cant say im sorry...

ouch!

?i said i wasnt referring to anything specific (at least I wasnt)

assuming i know what your talking about, yeah i think that was pretty nasty, and i appreciate you defending me, but lets not let this get outta hand...

as an aside,

i think its fair to say as a general rule that if an apology is called for and doesnt come, thats the person that didnt apologize's issue. no one has to or should remain busy with it.

just my thoughts.

ok ,m zuckerberg is an idiot

lol.

but ugh.....have a hard time swallowing the comparison.

o' course do as you please this was only intended for those that really want it over (assuming that the substance is over, whether it ended a while ago or not) and dont have a way of ending it.

dov once told me he ends conversations with a smiley face. i didnt relate to that but i tried this one.

Harav hakadosh miGorlitz: zakkah is ?????? ?????? ??? ? ?????? ?????. Everyone grabs stuff - even the garbage. He was adamant against saying it.

Tzemach tzedek's rebbitzen couldn't believe that some say things that we're not even allowed to think about.

Some only held of saying the last part about forgiving everyone. Some start with the first part and get stuck in the mud.

For the record, You are quoting Chasiddishe Rebbe's about a tefilla which a Litvishe instituted.

It wasn't a melting pot like we live nowadays. Towns were more segregated and what reflected in one town might not have been true in another town a few miles away.

p.s. How does a clean shaven emoji with a ever growing chup know what Chasidus has to say

about tefillas Zakai?!

The Shelah cites his grandfather as a source to say zakkah. Hmmm.... That gets us to the 1400's.

soon im gonna start thinking that Judaism is based on 3 things.

1. tefilas zaakah
2. the tefillah by musaf and other times about the galus
3. whether mz"l was always ra-BEEP!-t or not.
