

True Freedom - Increasing Rewarding Activities

Hey, guys!

Just watched Rabbi Shafier's video on "[Increasing Rewarding Activities](#)" on the GYE 2.0 Flight to Freedom platform.

What activities/hobbies do you do to help prevent boredom?

Personally, I write my chiddushim on Gemara. I love learning, but I love so much more writing my chiddushim and plan on self publishing it and giving it out to family and friends.
