

Thread of Hall of Fame Threads

Posted by chosemyshem - 22 May 2024 16:19

I've been thinking about this for awhile. Every post on here is so amazing and precious etc. etc. But there are some that are head and shoulders above the rest. Perhaps because the advice in there is so important, or because the journey documented is so inspiring (or deterring), or for any other reason.

I think it'll be a useful resource to gather a "Hall of Fame" thread in one place.

So drop a link to your favorite threads below. No rules for submissions - just drop your favorite threads with a brief description about why it's in here. I would include the author and the thread name. Check that no one else linked it before to avoid duplicates.

Please don't clutter the thread with discussion (feel free to start a separate discussion thread).

Always nervous about adding an in-progress thread. What if it goes downhill?

But here's a true hall of famer. The best of the best from the master himself.

Without further ado, Chaim Oigen's "[Chaim's Oigen](#)"

Thank you! I am truly honored!

I will try to live up and add good stuff only. Feel free to smack me if you feel it necessary, (or ask just Thompson..)

Just went through this thread and was greatly inspired. Lots of wisdom, growth and humility from one of the greats.

I am in touch with him every once in a while. I think if enough people pm'ed him, he would pop in.
