

Call of the Shofar

Wait!

It's not Rosh HaShana!

Or Yom Kippur!

Well, it just was Purim.

One of my rebbeim blows a shofar every year by his seudah.

After all, Yom KiPURIM!

Anyway, CHECK THIS OUT,

CALLOFTHESHOFAR.ORG

Great stuff! Really gave me a lot of tools that I use constantly.

And I think many of us here can benefit from their program.

Feel free to PM me with questions of any sorts, shapes, or sizes.

Gut voch!
