The following is my own personal collection of THINGS. (posts, chizuk emails, tidbits, thoughts etc.) This collection contains the things I want to remember and review on a regular basis. Remember, this is a COLLECTION, and I do not take credit for the ideas expressed here. I think that most of what I will post will not be my own ideas. Posting them here will also allow anyone who likes to to read and possibly benefit from them. Any comments please feel free to pm.
