reb world, you did an excellent job putting all the phone info together, thanks!

may i suggest changing the name of the thread to reflect it's contents so other might be able to benefit from it as well, maybe "phone conference world map" or 'hitchhiker's guide to the phone conferences"?

Steve's morning call is at 8:30 est(tomorrow is the last day for DC and Steve's regular call, it may continue just as a smoozing call but not in the big book). Same number and pin as DC call.

Elya's call was changed to Wednesday 7:45pm est.
