Unless you meant to post a 'comma' as opposed to a 'period'? ???

The title is a comma but your post contains a period. :-\

some times we think its a period

with time we find out it was only a comma

keeo on trucking!!!

(periods are tuff ,masssskim)

you don't think i have a geshtaltzimfleegin-immobilizer installed?

if you try installing it you will be transmogrified into a 7-day-old piece of yerushalmi kugel with antennae

Change those antennae for a quarter of a B'nei Darom canned sour pickle and you might have a deal there...
