i think if we all chasidim really want the rebbe back, we should all say tehlim for him, as it seems that he went on a gye's holiday, and when he comes back, then we will all have a great tikun together

Speaking of Bardichver, is there anyone out there who is willing to learn the Bardichver Siddur (Keter Nehora) with me for 15-30 minutes a week? We can put a GYE spin on it and make it part of our healing. I think that siddur has hidden healing properties.

No offense to the other Bards...

please PM me or reply to this post and we can swap tel nos.
