FEEL THE HUGS!!!
Posted by jerusalemsexaddict - 21 Sep 2009 18:08

_____

Possibly flakiest thread in GYE's history.....

Listen,life is scary.

All of us have a lack of trust.

In the world.

In Hashem.

In ourselves.

That's why this thread is gonna change all that.

Hashem runs the world.

I know what you're all saying....

"O man.Another bitachon shmuz!"

NO!

This is the HASHEM LOVES US corner!!

Here we will come each day and share or at least acknowledge one hug that Hashem gave us that day.

And when we all feel ready,we can move up to two.

And three.

And a million.

Could be big hugs.

Small hugs.

Fat hugs.

Thin hugs.

They're all good.

The point is to just spot it and feel it!!

This is a big step in our recovery chevra!!

Who's in?

K, my turn:

I was feeling down the other day as one of my non-virtual kids was ignoring something I was saying.

Then I came onto the forum and saw this new idea of Uri's!

Nothing gives me a bigger hug than this thread!!!!

OK.

First, 7up, your non virtual kids?

Make them virtual kids... why should they be deprived?

No, I don't know what that means either.

But maybe one day some genius will figure out the deep meaning of it, and attribute it to me.

:D

Here goes.

Aserese yimai teshuva... hmm kutan... you REALLY did teshuva? maybe not?

Well, of all days, today, yud gimel midos, and my help here at work decided to come in not tzniusdikly dressed.

kutan... here's your chance to show Hashem that your changed.

HUG!!!

Okay so this morning i overslept.

i went to sleep too late last night.

I woke up in time to get to work but not enough time to daven first.

And I end my shift at 1so I wouldnt be able to daven.

Normally that would be okay.

But my relationship with Hashem has been really good lately

and as I stood at the bus stop i watched people heading to shul and i felt sad and a little bit jealous.

When I got to work my boss said to me

"Uri I tried calling you.We don't need you here today."

He felt really bad.

But he saw me smiling.

He was confused.

But I was so happy.

I wished him a good day and I ran to a nearby shul just in time for the daily minyan.

Best davening Ive had in a while.

What a beautiful loving **HUG!!**

Hashem saw how much I wanted to be with Him and He brought me to Him.

No job,no nothing is gonna stop us from being together.

He runs this place chevre.

Thanks Hashem

The name of this thread scared me away (too flaky for me), but Uri suggested today I look and post on it.

Well, upon inspection, what you guys call "hugs" Duvid Chaim calls "awe and wonder" moments (or A&W moments), and Judaism calls "signs of hashga pratis". So, it's kosher for me to post

Anyway, today Yaakov "just happened" to check the forum, which he hasn't done in a long time. He saw my cry for help, and was there for me when I really needed someone. Nobody else was available at that time.

If that's not a big "hug" from HaShem, I don't know what is.

Exactly Momo; A&W, hashgacha pratis and hugs are one and the same.

And youre right on the money that R' Yaakov being there is one of the biggest hugs ever. I hope youre feeling happier.
