

FEEL THE HUGS!!!

Posted by jerusalemsexaddict - 21 Sep 2009 18:08

Possibly flakiest thread in GYE's history.....

Listen,life is scary.

All of us have a lack of trust.

In the world.

In Hashem.

In ourselves.

That's why this thread is gonna change all that.

Hashem runs the world.

I know what you're all saying....

"O man.Another bitachon shmuz!"

NO!

This is the HASHEM LOVES US corner!!

Here we will come each day and share or at least acknowledge one hug that Hashem gave us that day.

And when we all feel ready,we can move up to two.

And three.

And a million.

Could be big hugs.

Small hugs.

Fat hugs.

Thin hugs.

They're all good.

The point is to just spot it and feel it!!

This is a big step in our recovery chevra!!

Who's in?

and i slid the mask back on and was like "yeah, thanks" with a smile

he didn't even mark me late.

fall and they picked it up and spun it again.

i was with my "perfect" friend, the one with the frum family, with the parents who want to support her, with the calls from every shadchun redding her the best boys (bli ayin hara, she deserves all that and more)

and i was getting the tiniest bit jealous. is it too much to ask Hashem for parents like hers?

and then hug from Hashem, and my jealousy went away. and all of a sudden she was just my close friend who i cared about more than anything.

thank you Hashem for letting me let go of my jealousy, and for allowing me to see the bigger picture.

i have my nisyonos, she has hers.

thanks Hashem for giving me the things that make me me.

K, as anyone who read my thread knows, yesterday 7up was having a down day (7down?)

Not only did all the responses help me find my smile again, but I also received this cool email yesterday. Perfect timing "coincidence". Me thinks not!

To: YOU

Date: TODAY

From: GOD

Subject: YOURSELF

Reference: LIFE

This is God. Today I will be handling All of your problems for you. I do Not need your help. So, have a nice day.

I love you.

P.S. And, remember...

If life happens to deliver a situation to you that you cannot handle, do Not attempt to resolve it yourself! Kindly put it in the SFGTD (something for God to do) box. I will get to it in MY TIME. All situations will be resolved, but in My time, not yours.

Once the matter is placed into the box, do not hold onto it by worrying about it. Instead, focus

on all the wonderful things that are present in your life now.

If you find yourself stuck in traffic, don't despair. There are people in this world for whom driving is an unheard of privilege.

Should you have a bad day at work; think of the man who has been out of work for years.

Should you despair over a relationship gone bad; think of the person who has never known what it's like to love and be loved in return.

Should you grieve the passing of another weekend; think of the woman in dire straits, working twelve hours a day, seven days a week to feed her children.

Should your car break down, leaving you miles away from assistance; think of the paraplegic who would love the opportunity to take that walk.

Should you notice a new gray hair in the mirror; think of the cancer patient in chemo who wishes she had hair to examine.

Should you find yourself at a loss and pondering what is life all about, asking what is my purpose? Be thankful. There are those who didn't live long enough to get the opportunity.

Should you find yourself the victim of other people's bitterness, ignorance, smallness or insecurities; remember, things could be worse. You could be one of them!

Okay, so todays hug was more a nes than hug.

My son was just home for lunch and wanted a drink of water, so he asked his younger brother to pass the water pitcher which was sitting on the counter.

As he reached for it though, it slipped out of his hand and spilt all over the floor.

It was at that moment that they realized something was amiss;

the spilt water was full of bubbles!

Seems his older brother had decided the pitcher needed a cleaning, so had filled it with

Truth is, this is more a nes than hug.

The *hug* was that the kids wiped up the water and I got a clean floor! :D
