

FEEL THE HUGS!!!

Posted by jerusalemsexaddict - 21 Sep 2009 18:08

Possibly flakiest thread in GYE's history.....

Listen,life is scary.

All of us have a lack of trust.

In the world.

In Hashem.

In ourselves.

That's why this thread is gonna change all that.

Hashem runs the world.

I know what you're all saying....

"O man.Another bitachon shmuz!"

NO!

This is the HASHEM LOVES US corner!!

Here we will come each day and share or at least acknowledge one hug that Hashem gave us that day.

And when we all feel ready,we can move up to two.

And three.

And a million.

Could be big hugs.

Small hugs.

Fat hugs.

Thin hugs.

They're all good.

The point is to just spot it and feel it!!

This is a big step in our recovery chevra!!

Who's in?

-uri

I hear ya, IT!

I can't really offer much advice on where to eat out in E"Y, especially since the controversial situation with rabbanut mehadrin has taken away all the interesting, fun restaurants that I used to go to.

If you need advice in america, though, I'd be happy to help - I'm in shidduchim (or (sigh) I used to be, and hope to be again soon), so I do get to go out on a somewhat regular basis, depending on when both I and my date feel comfortable with going out to eat...

Of course, that also means that I'm open to suggestions of good places to go!

To be honest, though, not a huge fan of poppers - too spicy for my tastes.
