

Our Israeli N'kiyim Klan-O.I.N.K

Posted by Pidaini - 05 Jul 2013 18:00

Why? it's a long story, but the truth is we don't really know what it stands for yet, so if anyone has any ideas what the roshei teivos can be, please let us know. It can be just one also, meaning either OINK or OYNK.

Yup, that is the name of our group here in Yerushalayim!!!

We, BH, got together for the second time last night. TZ, Avrom, Nitzotzeloki, Hashem's Soldier (from the olden days, soon to be on the new forum), and I, (lizhensk missed it, but he's part of it too).

It was surreal, just imagine a beautiful hill, full of grass, surrounded by trees, and in the middle.....a MUSHROOM TABLE!! (for anyone who doesn't know what that means you can ask TZ)

We had a nice conversation, about a few things, but the most important one was what the tachlis of the group was going to be, which path would we take.

We decided we'd let our larger group give us ideas and we'll discuss it next time we meet (which is, btw, hopefully every thursday night) and decide upon something.

To summerize we are asking for two suggestions,

1) What the H-E-double-hockey-stick does O.I.N.K or O.Y.N.K stand for?

2) What should the point of the meetings be?

Anyone else interested in joining is more then welcome to contact any of the above mentioned (even though there are only 6 seats at the mushroom table, we'll figure it out)

Have a GREAT shabbos!!

Official OINK Update

Another smash success!! Some of our chevra were away (lizhensk [eating swiss chocolate] and avrom [getting his shreiym]) but we still BH had 5 Pinchases. It's been a tough week for the whole crowd, literally all of us. Nobody needed any convincing of being powerless. But don't think that got us down, we came together to be honest, to make sure we know we are in check with reality, with ourselves.

The conversation was about second step, finding the greater power, and realizing that hashem is waiting for us to let him in, on his terms. Ben Durdaya had a few good lines, just can't remember them now.

as usual we are asking the other members of OINK to fill in anything they can.

See y'all early next week

1. G-d as we misunderstood Him

2. No situation is so bad that lusting can not make it worse...

some hints

3. Zemmy's helicopter flying overhead

4. By the grace of G-d and the Kaliver Rebbe...

5. That other group over on the mirpesset are definitely either past, present or future members of GYE.

Anything I missed?

yeah, the important lesson by TZ that G-d loves you either regardless of the hat you wear, or because of the hat you wear

Not only that but it's a myth that the reason we don't eat giraffes is because we don't know where to shecht them.Anywhere on the top third of the neck is fine.

The reason we don't eat them is because they're not available and therefore very expensive, however if there is one around then don't hesitate to eat it because you might never get a chance to do it again.
