

Our Israeli N'kiyim Klan-O.I.N.K

Posted by Pidaini - 05 Jul 2013 18:00

Why? it's a long story, but the truth is we don't really know what it stands for yet, so if anyone has any ideas what the roshei teivos can be, please let us know. It can be just one also, meaning either OINK or OYNK.

Yup, that is the name of our group here in Yerushalayim!!!

We, BH, got together for the second time last night. TZ, Avrom, Nitzotzeloki, Hashem's Soldier (from the olden days, soon to be on the new forum), and I, (lizhensk missed it, but he's part of it too).

It was surreal, just imagine a beautiful hill, full of grass, surrounded by trees, and in the middle.....a MUSHROOM TABLE!! (for anyone who doesn't know what that means you can ask TZ)

We had a nice conversation, about a few things, but the most important one was what the tachlis of the group was going to be, which path would we take.

We decided we'd let our larger group give us ideas and we'll discuss it next time we meet (which is, btw, hopefully every thursday night) and decide upon something.

To summerize we are asking for two suggestions,

1) What the H-E-double-hockey-stick does O.I.N.K or O.Y.N.K stand for?

2) What should the point of the meetings be?

Anyone else interested in joining is more then welcome to contact any of the above mentioned (even though there are only 6 seats at the mushroom table, we'll figure it out)

Have a GREAT shabbos!!

ok so here is the belated recap.

.....our table was TAKEN!!!! (by some gerrer guys who

were bbqing....cardboard boxes!!!!)

anyway, so we tried parentches style, but the other oinker's back is not so interesting. so we had to move again. and the other place.....the point is we spent a lot of time just figuring out where to sit!

And then comes the grueling proceder of introductions. and again it starts by EVERYONE saying "Hi, my name is Pinchas..." now that was ok when there were like 6 guys, but with seven guys?!! we got all mixed up!! so we got numbers "Hi, my name is Pinchas #17....."

Anyway, we realized that that really is our problem, we really do have multiple personality disorder. One moment we can be sitting in Beis Medrash and zugging tehillim, or learning chasidus, or learning a shtikkel from THE Rov, and right after we are on our knees master baiting (for Bendy) to some shikseh in the bathroom!! Who are we?!

That is why we get together, to be understood by people like oursleves and realize that we don't have to be two identities, and that we AREN'T two identities.

oh, we did almost get hit by zemmy's heat sinking missles, but as said, his aim really isn't good.

ummmmm, doesn't sound like a whole lot.....it wasn't, as I said most of the time was spent on looking and introducing.

Hopefully we'll have a more secure place next week, see y'all then!!

signing off,

OINK

So whoever didn't give me their names yet, please email me, and when my list is complete I'll email it to everyone.

and a message from Ben Durdaya

[Ben Durdaya wrote:](#)

you forgot to write that be'etzem Zemmy's heat guided missiles were right on course, and only thanks to those Gerrer's forcing us not to be in the usual mushroom place did he miss us (the fire also threw it off track!) what Hashgachah Pratis!

And also the rustle behind us in the new place, that in the end we decided could not indeed be G.I.R.A.F.F.E. commandos hiding in the bushes, since those were too low to cover them effectively...

Wow!! What a meeting! this is going to be loooooooooong, but it's so late, so i'll have to shorten it a bit.

9:30 pm, our mushroom was BH reserved for us by Ben Durdaya and Hashemsoldier was on the lookout. We BH got started right away, introductions.

We decided on one helpful rule, that we have about two min. to introduce and during that time only one person speaks, when he is finished then others may give their input. That really helped the going.

got a telephone call from +00000000130563, or something like that. It was the one and only, R') He

It was a really nice call, "action" packed (12 step attitude), Taphsik, chizzuk, ELLLOOOOOOOOL, litvish, chassidish etc. It was AWESOME!!!! Thanks Guard!!!!

So afterwards the Rebbe continued introducing himself, and one thing that came out of that was that Sundays have a tendency to be more difficult than other days, since it's after Shabbos, Motzei Shabbos blues etc, and it was when some of the group fell (keep that in mind for later).

There were 7 of us there this week, so we played musical chairs, since the Mushroom only has

six babys. (btw out of 40,000 beit shemesh residents, only 30 are crazy).

We spoke about step zero, telling ourselves that we don't have to act out, we will continue to live even if we don't act out, and making a commitment that no matter what happens TONIGHT (and then tomorrow, TODAY) WE DO NOT NEED TO ACT OUT!!!

Someone mentioned that it would be awesome if Shabbos were on Tuesday. reason? well HS

We are BH making progress, both as a group and individuals. See y'all next week ly"H!!

Signing out,

OINK

DISCLAIMER

WATCH OUT FOR FLYING ROCKS!!!!

We got stright to work this week. "Hi, I'm Pinchas and I'm a screwed up sexaholic..." (that's a new one!). We went around the table (left to right, not by age or length of beards), and the Rebbe got double time, one for his real self and one for his lie.

Hmmmm.....wrap up time.....

We started reading again, from the 1st step of 12 steps and 12 traditions can be downloaded [here](#).

Powerless, admitting that we are powerless, it's worth the read, and since it's already written up ther's no point in writing it up here (it's only like three short pgs).

) Is the
first step something in itself, or just the engine behind the rest of the 11 steps? just a thought.

, and making that the point of reaching powerlessness.
(gtg to sleep so others are welcome to A.D.D.

To sum up the meeting, if you are a donutaholic and you are tired of custard, then you're
obamaism needs to be less precarious. v'doik.

And we spoke about raising our bottoms
