

Our Israeli N'kiyim Klan-O.I.N.K

Posted by Pidaini - 05 Jul 2013 18:00

Why? it's a long story, but the truth is we don't really know what it stands for yet, so if anyone has any ideas what the roshei teivos can be, please let us know. It can be just one also, meaning either OINK or OYNK.

Yup, that is the name of our group here in Yerushalayim!!!

We, BH, got together for the second time last night. TZ, Avrom, Nitzotzeloki, Hashem's Soldier (from the olden days, soon to be on the new forum), and I, (lizhensk missed it, but he's part of it too).

It was surreal, just imagine a beautiful hill, full of grass, surrounded by trees, and in the middle.....a MUSHROOM TABLE!! (for anyone who doesn't know what that means you can ask TZ)

We had a nice conversation, about a few things, but the most important one was what the tachlis of the group was going to be, which path would we take.

We decided we'd let our larger group give us ideas and we'll discuss it next time we meet (which is, btw, hopefully every thursday night) and decide upon something.

To summerize we are asking for two suggestions,

1) What the H-E-double-hockey-stick does O.I.N.K or O.Y.N.K stand for?

2) What should the point of the meetings be?

Anyone else interested in joining is more then welcome to contact any of the above mentioned (even though there are only 6 seats at the mushroom table, we'll figure it out)

Have a GREAT shabbos!!

its funny the 2nd night of rh i started singing oink oink piggy piggy and my host was mortified and kicked me out and said never to come back.....the nerve of some people

in any event i used rh to be mamlich hashem over me....whatever a melech says goes....the haslacha says hes aloud to plow through ur yard and you cant do anything about it...so i took to mind the hashem is the one in control of my life and does whatever he wants with me (which is always good) and that the only thing i want is to be the EVED that allows the king to do that

BREAKING NEWS

We have reason to believe that the world-renowned Tehillimzugger has crossed the lines and has become a Tzioni. Though he hasn't been spotted anywhere near Jerusalem recently, his family was seen in the vicinity of the Jerusalem City Hall (Heb. Iriyah, Arb. Al-Baladiyah) early this afternoon. Though this isn't proof, some analysts are saying that this may be a sign that TZ has changed his stance on the subject of the State of Israel. Here's is a picture an unknowing tourist posted on his facebook page and the coordinates on the location tag are 31.7804° N, 35.2239° E which are the exact coordinates of City Hall.

FIXING BROKEN NEWS

I sent my family over with shofaros and sifrei torah to put the tziyoinim in cherem, normally I wouldn't have sent them there even for a cherem, but I have a minhag [see also; Sefer HaChumros, Lev Aryeh] to put at least ten people in cherem every day and I was really running out of people, so I didn't have any other options.

V'hineni mekayem mitzvas "V'hiyisem nekiyim mei'Hashem umiYisroel" Amen netzach selah va'ed.

My, that's a lot of conjoined twins in your family.

I dunno, they might only count as five people.

We had a telephone conference today.

Hashem's Soldier

Ani HaKattan

So first everyone heard TZ inviting his niece and nephew to the beach, yelling at his dog to stop yelping [he gets very excited when he sees bikes] of Yankel's problems and his firm resolution to be ok. Then we heard TZ remarking about the boats and the waves HS's firm resolution to be ok. Then we heard about how TZ is trying to live in the moment. Then we heard about The glorious sound of the waves at the beautiful beach TZ was visiting Skep's email struggles.

It was good and I apologize for making a lot of noise

and i have guests here now so i should really go and welcome them.
