

Our Israeli N'kiyim Klan-O.I.N.K

Posted by Pidaini - 05 Jul 2013 18:00

Why? it's a long story, but the truth is we don't really know what it stands for yet, so if anyone has any ideas what the roshei teivos can be, please let us know. It can be just one also, meaning either OINK or OYNK.

Yup, that is the name of our group here in Yerushalayim!!!

We, BH, got together for the second time last night. TZ, Avrom, Nitzotzeloki, Hashem's Soldier (from the olden days, soon to be on the new forum), and I, (lizhensk missed it, but he's part of it too).

It was surreal, just imagine a beautiful hill, full of grass, surrounded by trees, and in the middle.....a MUSHROOM TABLE!! (for anyone who doesn't know what that means you can ask TZ)

We had a nice conversation, about a few things, but the most important one was what the tachlis of the group was going to be, which path would we take.

We decided we'd let our larger group give us ideas and we'll discuss it next time we meet (which is, btw, hopefully every thursday night) and decide upon something.

To summerize we are asking for two suggestions,

1) What the H-E-double-hockey-stick does O.I.N.K or O.Y.N.K stand for?

2) What should the point of the meetings be?

Anyone else interested in joining is more then welcome to contact any of the above mentioned (even though there are only 6 seats at the mushroom table, we'll figure it out)

Have a GREAT shabbos!!

Thursday night I walk in to one of the three satmar Batei Midrash in Yerushalayim and lo andd behold! there were Avrom and Inna plugging away at VaYoel Moshe, seriously! I thought I was hallucinating, so I did what any good Satmar chossid would do, I pulled up a chair and joined! Inna donated candy Avrom donated cigarettes and I donated my proficiency in Roshei Teivos. It was fun.

Thanks for the reply - I am not available to join you in Yerushalayim each week unfortunately - would love to find a person to communicate with daily about struggles and hopefully growth

So this afternoon, The heilige TZ and the not-so Heilige Lizhensker went to the kosel. We made sure to be finished exactly 9 minutes before the nine millennia, nine centuries, nine years, nine months, nine days, nine hours, nine minutes, nine seconds and nine split-second thingy.

On our way out, we met the delegation from Kupat Ha'ir and Va'ad Harabonim and all the other big money-making businesses in Eretz Yisroel. They even had a shofar and a representative from WoW! TZ says theres no relation, but im Skeptical, so i quickly snapped a pic, and now I'll leave it up to the forum to decide

Warning: Spoiler!

I am back. I was away from the forum (not internet) for about three weeks and during that time I watched plenty of porn (obviously masturbating to it) all a result of pressure that I have had lately. If only I would have moved myself and opened up to someone earlier it would have helped, but I did not. I should have gotten of my ... and driven to Yerushlaim to meet the O.I.N.K. guys they would have given me a real shock back to reality. However, here is not the time to whinge I need to move on and progress in the ways I was going before this horrid period. I am not asking for anything just for a bit (yes, only a little bit) of a break from the porneries (like breweries) so I can start thinking logically.

Yitzchok (I love you OINK guys I find you the biggest chizuk here, as I can see people transforming in my eyes and I know I can get there too. It helps me strive and keep on trying)

WOW WOW!

I went last night to an O.I.N.K. meeting it was amazing. I'm not going to comment about what it does (meeting real live people) because I think many of my feelings and emotions are because I am on a high from the meeting. One thing is for sure when you get out the cocoon you find silk.

I can't wait for the next meeting (and I need a bit of a catch up on step 1)

Yitzchok (BTW, I fell asleep last night after 3am after so many thoughts flooded my mind thus not being able to fall asleep)

BTW TZ told me that when you leave the cocoon you get wings, which in my opinion is better than what I wrote.
