

Our Israeli N'kiyim Klan-O.I.N.K

Posted by Pidaini - 05 Jul 2013 18:00

Why? it's a long story, but the truth is we don't really know what it stands for yet, so if anyone has any ideas what the roshei teivos can be, please let us know. It can be just one also, meaning either OINK or OYNK.

Yup, that is the name of our group here in Yerushalayim!!!

We, BH, got together for the second time last night. TZ, Avrom, Nitzotzeloki, Hashem's Soldier (from the olden days, soon to be on the new forum), and I, (lizhensk missed it, but he's part of it too).

It was surreal, just imagine a beautiful hill, full of grass, surrounded by trees, and in the middle.....a MUSHROOM TABLE!! (for anyone who doesn't know what that means you can ask TZ)

We had a nice conversation, about a few things, but the most important one was what the tachlis of the group was going to be, which path would we take.

We decided we'd let our larger group give us ideas and we'll discuss it next time we meet (which is, btw, hopefully every thursday night) and decide upon something.

To summerize we are asking for two suggestions,

1) What the H-E-double-hockey-stick does O.I.N.K or O.Y.N.K stand for?

2) What should the point of the meetings be?

Anyone else interested in joining is more then welcome to contact any of the above mentioned (even though there are only 6 seats at the mushroom table, we'll figure it out)

Have a GREAT shabbos!!

We decided that since Avrom wasn't there we wouldn't get the caramel, we'll see how long we can hold ourselves back (better come back quickly!!)

Official OINK update:

We are thinking of getting together during day hours, in order to be more flexible for

OOYNKERS. If anyone has any ideas where these meetings can take place, please contact one of the members.

Thank You

And for the weekly recap.

!!

BH, after a few minutes they returned the stolen goods and we started our meeting.

It was decided that OINK stands for "having-a-hard-time-keeping-our-eyes-in-our-heads", if it

We also had an idea of what our theme song for OINK should be (any guesses?)

Warning: Spoiler!

OK down to business

Ben Durdaya brought a printout of the structure of a normal SA meeting, and everyone (TZ, Ben durdaya, Nitzotzeloki, Hashemssoldier, and Pidaini [Avrom on vacation, Lizhensk was feering tisch]) had a copy of 12 Steps 12 Traditions.

We introduced ourselves, and started reading, paragraph per person.

The first topic in the book is why we want to accept we are powerless. That was sort of a false start (on offense[Bears], 5 yard penalty) since we did not yet talk about the essence of powerless or if we were indeed powerless. So we discussed that at length. That if we have the slightest sniff of lust it is going to start the cycle of needing more, which will end up in needing even more and so on until we have lost control of ourselves. It is very similar to the allergy of an alcoholic.

Ben Durdaya told the story of Jack the alcoholic who would sit for hours emptying empty bottles, and how we are similar when we try getting past filters.

That's all I got right now.

Can someone please help, i know I forgot some stuff? TZ, Nitzotz? weren't you guys also there?

See y'all next time!!

Baruch Hashem we have opened a "Yeshivas Bein HaZmanim" under the auspices of Mosdos Lizhensk-Bardichev-Heeteroigen -b'nsias c"k admo"r shlit"a- obviously. There are two Tracks; Track A, "Avreichim" only, will commence today, Sunday b'ez"h, they will be studying the halachic intricacies of either Niddah or Mikvaos [as soon as they get off gchat long enough to

decide]. Track B, "Bachurim" or whoever else is interested, started last week Wednesday and they have been learning Hilchos Muktze [the halachic intricacies of using a dead person to crack open nuts, or; OINC -Obviously Immoral Nut Cracking]. We hope to have lots of hatzlacha and bracha.

There may be a shiur klali in Maseches Bava Kamma on Thursday by Reb Pidaini Shlita [our AJAR -Assistant Junior Assistant Rabbi] where he will attempt to prove [in continuation of his shiurim Thursday night and Friday morning] that a Shor Pikeach requires shemira m'alia inasmuch kassa d'harsna is concerned.

Oh and by the way, Lizhensk, in the "I'm hungry etc." thread, you can serve some Kassa D'Harsna- under my hashgacha...

There were plans for the bachurim section of the Yeshiva to visit Tzfas on today, but since our grandpa-bachur/Nitzotz can't make it, we've pushed it off.
