

Our Israeli N'kiyim Klan-O.I.N.K

Posted by Pidaini - 05 Jul 2013 18:00

Why? it's a long story, but the truth is we don't really know what it stands for yet, so if anyone has any ideas what the roshei teivos can be, please let us know. It can be just one also, meaning either OINK or OYNK.

Yup, that is the name of our group here in Yerushalayim!!!

We, BH, got together for the second time last night. TZ, Avrom, Nitzotzeloki, Hashem's Soldier (from the olden days, soon to be on the new forum), and I, (lizhensk missed it, but he's part of it too).

It was surreal, just imagine a beautiful hill, full of grass, surrounded by trees, and in the middle.....a MUSHROOM TABLE!! (for anyone who doesn't know what that means you can ask TZ)

We had a nice conversation, about a few things, but the most important one was what the tachlis of the group was going to be, which path would we take.

We decided we'd let our larger group give us ideas and we'll discuss it next time we meet (which is, btw, hopefully every thursday night) and decide upon something.

To summerize we are asking for two suggestions,

1) What the H-E-double-hockey-stick does O.I.N.K or O.Y.N.K stand for?

2) What should the point of the meetings be?

Anyone else interested in joining is more then welcome to contact any of the above mentioned (even though there are only 6 seats at the mushroom table, we'll figure it out)

Have a GREAT shabbos!!

I think he means an early OINKer special. In my neck of the woods, I don't know any birds that say OINK.

The birds are working with their therapist to identify sources of RID, but they would appreciate if you would respect their privacy.

That was fun!!

we had TWO guest speakers (read: on speaker phone) one was the Belzer Spotted Slightly-Horned Animal and the second was ~~St. Mary~~ Shimshon Hagibor.

What was amazing was that they both said the same words of inspiration, although quite but then came along Shimshon and through his words we were able to understand the animal language. His holy words were "eiyn ro'eh v'lev shoma'as, everything is recorded" only then did we understand that Zemmy was trying to give over, that we all need to have stage freight (that's what the stage carries-stage *freight*)!!

We also found out about the other girsah of the Medrash (found in the deep ruins of Lizhensk, brought to our attention by the Rebbe Shlit"a) that says that Mashiach is going to come on **Warning: Spoiler!**

differently. The giraffe said "I have stage fright", profound

B'eazras Hashem we hope to still be getting together on Thursday evening. see y'all!!

~~St. Mary~~ Shimshon Hagibor.

Since I seem to be a popular speaker, I'll start with a mashal.

A child of a off the derech family comes home from public school after attending religious classes. His father asks what he learned today. The boy replies "well I learnt that yushkeh is the messiah and the son of g-d". The father angrily replies "there's only one g-d and we don't believe in him".

IT'S ST. MARY AND THIS ISN'T HER PICTURE.

In the future you might want to notify your speakers before they're actually in middle of speaking to lizehnsk.

?????? ?????? ?? ???????, ??????? ??? ?????? "?" ??????? ?????? ?' ?????? ??????"?

First, we sat around [for the loooooooooongest time] waiting for TZ and HS to bring drinks [and grapes -which they didn't bring]. While we waited, we discussed the Avodah Zarah status of human hair wigs from India [I wasn't there- I'm just assuming].

Then we had the guest speakers [Zemmy and Inna for those that don't understand Pidaini's remazim].

Then we sang "The Forest" by Rabbi Michel Twerski of Milaukee, and "Nichsefoo" by Rabbi Mordechai Werdyger of Seagate [just so that the Milwaukee/Hornosteipler Chassidim don't lunge at me with beer bottles, I'm not ch"v comparing MBD to the Rebbe, just stating facts].

Then TZ said over a vort that his Zeidy, Reb MT shared with him just before the kumzitz, it goes something like this: The Gemara says that Rebbe Tzaddok fasted forty years before the churban, so that it shouldn't come. Asks the Tiferes Shlomo- Is the Gemara trying to prove to us that tefillah and fasting don't work? After all, the beis hamikdash was destroyed in the end?! Zugt der heiliger Tiferes Shlomo! Rebbe Tzaddok knew that the churban was inevitable! He

fasted every day! SO THAT THE TEMPLE SHOULD NOT BE DESTROYED TODAY!!!!!! Indeed his tefillos WERE effective. Let us all pray that we do not destroy ourselves -the temple in our hearts- TODAY.
