

Home alone

Posted by SIB101854 - 29 Oct 2013 04:17

Whenever my wife and children were away, either visiting my in laws, or my wife was visiting our children, I would easily resort to porn and masturbation. My wife will be away helping one of our kids with a newborn aienekel-I am determined to remain clean! I have sedarim, minyanim, work and this wonderful site to keep me busy until I leave Erev Shabbos early in the morning to join everyone for Shabbos and a sunday Bris

Thanks to all for of your Chizuk which enabled me to not only remain clean from porn and masturbation when I was home alone for a week, but which also gave me an extra special enjoyment of the Shalom Zachor and Bris of our new grandson.

One again, my wife will be spending a few days with my aineklach. That used to be a way when

I would go down the twin rabbit holes of porn and masturbation. B"H , this site, and the pilpul chaverim has and will BEzras HaShem continue to keep me Tahor.
