I just **must** know who falls in love with who and who marries who and who dumps who and who has a crush on who. I **must** know. I get anxious all week until the next episode comes out. The show becomes more my life than my **real** life!

Well it's over now. Welcome to Gye: The **real** world, where we start to LIVE again :D.

the "frum" yetzer harah is the worst

this tzaddekes,so tznusdik,so much chein,so much yishuv hadaas,always calm,pleasant smile,soft-spoken,wise,everything about her is so well thought out,does chesed,with it,knows midrash,davens with kavannah but does so quietly and with dignity,and really really an anav.

this tzaddekkes is more dangerous to you then the prostitute

happy that klall yisroel has such a tzaddekkes but Hashem says never mind,put your mind to other things such as Yanky himself

ok! I'm the Gabbeh so I have some inside info as to were this going.

Can everyone Chillax?!

I don't want to be a spoiler but I will give you a hint.

For those of us that are afraid that this is getting a bit to hot for it to be on this forum is because we are thinking like an addict like Harry. (and that's fine) But But But.....

Enough said!

Trust me Reb B. already cut half of this unfortunately real story that takes place more then we might think.

The details might be different but the over all point is the same by so many of us addicts if we like to admit it or not.

Yes! Harry might be a bit extreme in certain aspects but you would (or wouldn't) be surprised how many people actually treet there kids this way when there in "Insane Mode"
