

How to replace the lust

Posted by NORMALYID - 02 Feb 2016 00:21

Hi guys I spoke to my therapist and he told me that u can't just take away the lust u have to refill it with something else if not u will get your self back there. Does any one disagree or does any one have any ideas of how to refill it please let me know?

Reb WG, We are here to correct our ways, and learn the right cord's

Well, then I have a lot of WORKingguy but perhaps CORDnoy can help with the Chords. I think I should leave the jokes to you.....

What's the guitar website? I'd love to play better.

guitarlessons.com

that is the free website. there is alot of good videos there

The videos are hosted on Youtube so If you have that blocked you won't be able to see them.
But the text is pretty informative too.
