

Private Message Emails

Posted by skeptical - 15 May 2016 11:09

If you receive an email that says something like this:Powerless left you a private message.

[Powerless left you a message. Click on the button below to read it:](#)

[Read Message](#)

This message is sent on behalf of
Powerless.[Block future emails like this.](#)
[Privacy policy](#) Zorpia Co. Ltd. P.O. Box
#28960, Gloucester Road Post Office,
Hong Kong

Do not click the link!

It is spam that will then send the same message to all your contacts from YOU.

All Private Messages from GYE will come from GYE - Not from anywhere else, like Hong Kong.
