

Super-Incentive: "Match, Double, Ninety!"

Posted by Kedusha - 18 Nov 2009 16:41

Dear Chevra,

The "\$90 for 90 days" challenge has had mixed success. My understanding is that no one made it to 90 days, but that some people were able to go further than they had in the past.

Here's another idea that I ran by Guard, and he said that we're welcome to try it.

I propose that we offer a "super-incentive" to someone to give them an unusually powerful boost to get them to 90 days. Unfortunately, the Bill Gates foundation has declined to provide a \$10 so we had to come up with something else. For reasons that will become clear, the challenge would be called "Match, Double, Ninety!"

Here's how it would work:

1.) Guard would select someone who has had a hard time getting to 90, but is willing to set up numerous safeguards, give it a real solid effort this time around, and operate with complete integrity. The person should have between 7-30 days clean.

2.) If the person matches his/her previous record (but not less than 15 days, and not less than 7 days from the time the challenge begins), GYE gets \$50-\$100 (\$10 per sponsor).

3.) If the person doubles his/her previous record (but not less than 30 days, and not less than 14 days from the time the challenge begins), GYE gets \$125-\$250 (including the money already received; that would be \$25 per sponsor).

million mega-incentive,

4.) If the person reaches 90 days, GYE gets \$500-\$1000 (including the money already received; that would be \$100 per sponsor).

5-10 people would each agree to donate up to \$100 to fund this challenge. The entire forum can root the person on as he/she works on each of the three milestones, which would be a tremendous Chizuk for all of us. Also, others will, hopefully, join in the challenge out of solidarity.

Please post below (or send me a PM) if you're interested in being a sponsor (maximum cost: \$100).

If you're interested in being chosen for this super-incentive, please send a PM to Guard.

The need to get to 20 days before the challenge even begins will demonstrate (to yourself and others) that you really mean business.

Hmmm. I accept your rules, but the 14 days I've done so far aren't chopped liver!

I think my safeguard is to really limit which sites I'll surf.

Momo,

I agree, and nothing I wrote was intended to imply that you're not 100% serious. But this is a

"super-incentive," which is designed to super-motivate, and it's important that no one rush into it.

Keep in mind that your second and third challenges will involve shorter intervals under the modified rules. And there is nothing stopping you from setting 24 days as a personal goal to aim for.

Great - less than 5 days until the challenge begins, assuming we get the necessary sponsors.
Anyone else?

Thanks IT25!

Way cool. We now have:

- Silentbattle for 1
- Kedusha for 1
- IT25 for half.

So, that's 2.5 sponsors. Anybody else?

OK guys, now's the time for the members of the Momo fan club to step up to the plate.

If you have any maaser money, why not bet it on Momo? The money goes to GYE, not me!

Can you think of a better place to send your money?

How many times has GYE inspired you? Has it stopped you at least once from acting out? Do you know how valuable that is in heaven??!!

The truth is just now I considered for a second to act out, and I thought of the 250 dollars (it's 250, right?) riding on me, so I stopped.

Imagine what a 2000 dollar incentive would do for me!

I'm sure to have moments of weakness in the future. Do you want to help me reach the 90 day milestone?

If so, put your MOney on MOmo!

Thanks!

Nothing's to stop you from pretending that the incentive is \$2,000. Of course, once you're pretending, why stop at \$2,000?!
