

Super-Incentive: "Match, Double, Ninety!"

Posted by Kedusha - 18 Nov 2009 16:41

Dear Chevra,

The "\$90 for 90 days" challenge has had mixed success. My understanding is that no one made it to 90 days, but that some people were able to go further than they had in the past.

Here's another idea that I ran by Guard, and he said that we're welcome to try it.

I propose that we offer a "super-incentive" to someone to give them an unusually powerful boost to get them to 90 days. Unfortunately, the Bill Gates foundation has declined to provide a \$10 so we had to come up with something else. For reasons that will become clear, the challenge would be called "Match, Double, Ninety!"

Here's how it would work:

1.) Guard would select someone who has had a hard time getting to 90, but is willing to set up numerous safeguards, give it a real solid effort this time around, and operate with complete integrity. The person should have between 7-30 days clean.

2.) If the person matches his/her previous record (but not less than 15 days, and not less than 7 days from the time the challenge begins), GYE gets \$50-\$100 (\$10 per sponsor).

3.) If the person doubles his/her previous record (but not less than 30 days, and not less than 14 days from the time the challenge begins), GYE gets \$125-\$250 (including the money already received; that would be \$25 per sponsor).

million mega-incentive,

4.) If the person reaches 90 days, GYE gets \$500-\$1000 (including the money already received; that would be \$100 per sponsor).

5-10 people would each agree to donate up to \$100 to fund this challenge. The entire forum can root the person on as he/she works on each of the three milestones, which would be a tremendous Chizuk for all of us. Also, others will, hopefully, join in the challenge out of solidarity.

Please post below (or send me a PM) if you're interested in being a sponsor (maximum cost: \$100).

If you're interested in being chosen for this super-incentive, please send a PM to Guard.

Good news, folks! GYE has secured \$1,500 in NEW sponsorships for the "Match, Double, Ninety" challenge. This would be enough to fully cover the costs of GYE becoming a non-profit organization. Please review the rules for this challenge and, if you're serious about doing what it takes to succeed, let me know.

Good news??? That's like saying Bill Gates is upper middle class! This is an amazing opportunity for GYE and for three of our holy warriors!

It's Guard's call, but you need to submit the request and make your case (you can do it by PM to Guard). As the rules state, this challenge is for someone who has had a hard time getting to 90 days, but is willing to set up numerous safeguards, give it a real solid effort this time around, and operate with complete integrity. The person should have between 7-30 days clean before the challenge begins. Check out the rest of the rules at the link below. More often than not, the rules need to be slightly modified to fit the individual being challenged.

That's wonderful! I assume you mean besides me and Eye, right?

Can you tell us who the new guys are, or is that a secret?

I want to cheer them on!

Kedusha, can I pay everything at the end? I think it'll be confusing to keep checking on everyone's progress and figure out how much to pay...

GO EYE !

GO MOMO!

Keep inspiring us!
