

Super-Incentive: "Match, Double, Ninety!"

Posted by Kedusha - 18 Nov 2009 16:41

Dear Chevra,

The "\$90 for 90 days" challenge has had mixed success. My understanding is that no one made it to 90 days, but that some people were able to go further than they had in the past.

Here's another idea that I ran by Guard, and he said that we're welcome to try it.

I propose that we offer a "super-incentive" to someone to give them an unusually powerful boost to get them to 90 days. Unfortunately, the Bill Gates foundation has declined to provide a \$10 so we had to come up with something else. For reasons that will become clear, the challenge would be called "Match, Double, Ninety!"

Here's how it would work:

1.) Guard would select someone who has had a hard time getting to 90, but is willing to set up numerous safeguards, give it a real solid effort this time around, and operate with complete integrity. The person should have between 7-30 days clean.

2.) If the person matches his/her previous record (but not less than 15 days, and not less than 7 days from the time the challenge begins), GYE gets \$50-\$100 (\$10 per sponsor).

3.) If the person doubles his/her previous record (but not less than 30 days, and not less than 14 days from the time the challenge begins), GYE gets \$125-\$250 (including the money already received; that would be \$25 per sponsor).

million mega-incentive,

4.) If the person reaches 90 days, GYE gets \$500-\$1000 (including the money already received; that would be \$100 per sponsor).

5-10 people would each agree to donate up to \$100 to fund this challenge. The entire forum can root the person on as he/she works on each of the three milestones, which would be a tremendous Chizuk for all of us. Also, others will, hopefully, join in the challenge out of solidarity.

Please post below (or send me a PM) if you're interested in being a sponsor (maximum cost: \$100).

If you're interested in being chosen for this super-incentive, please send a PM to Guard.

I should have thought earlier about the irony of my username, considering the fact that I *always* have an opinion, even when I don't know anything! :D :D

There's a saying (I heard it attributed to the kutzker rav), "Some people don't eat nuts during the Aseres yimei teshuva, because "egoz" is the same gematria as 'cheit.' But they forget that 'cheit' is ALSO the same gemtraai as 'cheit.'"

Hi everyone.

Today is the start of day 31.

According to my records, the following people owe GYE the following amounts of money (10% of what you pledged).

Remember that you don't have to pay now. You can pay after I hit 90, or after I fall, which ever is sooner.

Silentbattle: 10 dollars

Kedusha: 10 dollars

Trying: 10 dollars

HabaLetaher: 10 dollars

arc321: 10 dollars

ImTrying25: 5 dollars

Habib: 5 dollars

Thank you all for your support. I can honestly say that if I didn't have sponsors, I would have acted out a couple of times last week, and this week too. You are helping keeping me "clean".

Thanks guys.

Eye, this is an upside down world.

Eye, I'm serious about having a party to celebrate your 90 day, if you agree to it.
