

Super-Incentive: "Match, Double, Ninety!"

Posted by Kedusha - 18 Nov 2009 16:41

Dear Chevra,

The "\$90 for 90 days" challenge has had mixed success. My understanding is that no one made it to 90 days, but that some people were able to go further than they had in the past.

Here's another idea that I ran by Guard, and he said that we're welcome to try it.

I propose that we offer a "super-incentive" to someone to give them an unusually powerful boost to get them to 90 days. Unfortunately, the Bill Gates foundation has declined to provide a \$10 so we had to come up with something else. For reasons that will become clear, the challenge would be called "Match, Double, Ninety!"

Here's how it would work:

1.) Guard would select someone who has had a hard time getting to 90, but is willing to set up numerous safeguards, give it a real solid effort this time around, and operate with complete integrity. The person should have between 7-30 days clean.

2.) If the person matches his/her previous record (but not less than 15 days, and not less than 7 days from the time the challenge begins), GYE gets \$50-\$100 (\$10 per sponsor).

3.) If the person doubles his/her previous record (but not less than 30 days, and not less than 14 days from the time the challenge begins), GYE gets \$125-\$250 (including the money already received; that would be \$25 per sponsor).

million mega-incentive,

4.) If the person reaches 90 days, GYE gets \$500-\$1000 (including the money already received; that would be \$100 per sponsor).

5-10 people would each agree to donate up to \$100 to fund this challenge. The entire forum can root the person on as he/she works on each of the three milestones, which would be a tremendous Chizuk for all of us. Also, others will, hopefully, join in the challenge out of solidarity.

Please post below (or send me a PM) if you're interested in being a sponsor (maximum cost: \$100).

If you're interested in being chosen for this super-incentive, please send a PM to Guard.

While we wait for any last minute sponsorships, here's how this will work:

[b]1.) Today is day #30 for Eye.nonymous. If he matches his previous record (40 days), sponsors will each give \$10 to GYE (\$5 for half sponsors). You hear that, Eye? Just 10 days, and GYE gets \$30 (more, if we get more sponsors)!

2.) Doubling his previous record would get Eye to 80 days, but I suggest we modify the rules in this case to make 60 days his second level. So, when and if Eye gets to 60 days, sponsors will each give \$25 to GYE (\$12.50 for half sponsors), including the money already given when he reached level 1. GYE will get a total of \$75!

3.) Finally, when and if Eye makes it to 90 days, sponsors will give \$100 each to GYE (\$50 for half sponsors), including the money already given when he reached levels 1 and 2. GYE will get a total of \$300!!!

If you'd like to join Eye in his journey to 90, please speak up! Although the three-part

incentive will only apply to Eye, I'm sure it would be a great Chizuk to him if others join him in his count to 90!

Finally, here is the last call for sponsors (or half sponsors)! Anyone?

We're currently up to \$300, but we've got a generous offer from an anonymous benefactor to match the next \$100 in sponsorships. So, if anyone is willing to be a \$100 sponsor (or if 2 people are willing to split a sponsorship for \$50 each), then we'll achieve our original goal of \$500!

This is a very rare opportunity to have your contribution matched dollar for dollar. Please let me know as soon as possible if you'd like to take advantage of it!

You rock! Keep it up!

I'm not in charge of the rules, but I'd imagine whatever time zone you're in...does the WOH work with your specific time zone?

Ya know, if you count the secular date and the Jewish date, you can reach 90 days in only 45!
