

MAKE KARMA GREAT AGAIN'!

Posted by stillgoing - 28 Dec 2016 16:29

MARK JUST POSTED THAT THE KARMA SYSTEM IS BEING GOTTEN RID OF! QUICK, CALL YOU CONGRESSMAN, CORDSMAN, TRUMPSMAN, EVEN MARKSMAN. WE NEED TO DO SOMTHING.

let's be honest. How many people in the back, front or middle of their minds know that some small part of the reason that they post is to up their karma count. We won't admit it, but let's count the thank yous to this post to see. come on, don't be shy now... you know that you want to say thank you..

Markz, can you set up a poll of how many people are for the continued usage of karmas and how many against?

I want to make a different poll

"Do you like polls?"

Some like karma and don't like polls

Some don't like karma and like polls

So question is are statistics accurate?

You know the answer

Here on gye we have a simple policy

"Do what works". So "karma is gonna live forever" - there's a Google image to the effect of this,

but I like to keep away from those 'danger quotes'. Sg you're more brave than me

It's funny the guard doesn't seem to know when or why karma was created

I'm going to get shot for saying this, but based on the.guards latest threads

It's funny the guard doesn't seem to know when or why this website was created

Isn't that why we all post on Facebook?

I can't get work done (for several reasons). I keep checking how many "likes" I received.

HHey what's all this about wanting to collect karma? I like it cuz I can give it out to someone who's feeling down and give him a boost. Shows him that someone cares about him. For example, guy posts hey I keep on darshaning but nobody's listening and feels all mopey - so you give him karma and poof he's happier.

So, someone sent message to mods that girls should not be allowed on avatars. (By the way, every time I saw that avatar, I thought of chandelier.) Now, I think that boys should not be allowed either, for they also are a trigger for some. And then I wonder, what pictures are allowed on the woman's site?

Whatever!, now that it's out there, we can surely expect the devs to remove all avatars, and sadly, that includes cars, boats, tricycles and trucks.

Nobody's taking your truck!

(but I could understand why someone working on himself

may not want a picture of a girl on all of a person's posts...

I can even hear a picture of a boy bothering someone on this site).

Boruch HaShem, we have different things we're working on.

But understanding and respecting someone's weaknesses,

is worthwhile and admirable.

SG this is slightly different to your thread...

As acting Karma Gabbai until it's re-instated...

When I'm informed by one brother that wants to add to another, I'm planning to notify the recipient on his thread that 'so and so has upped your karma'

If anyone has a problem with this please raise your hand now

I deleted that other thread since everyone seems to be ok with this
