

MAKE KARMA GREAT AGAIN'!

MARK JUST POSTED THAT THE KARMA SYSTEM IS BEING GOTTEN RID OF! QUICK, CALL YOU CONGRESSMAN, CORDSMAN, TRUMPSMAN, EVEN MARKSMAN. WE NEED TO DO SOMTHING.

let's be honest. How many people in the back, front or middle of their minds know that some small part of the reason that they post is to up their karma count. We won't admit it, but let's count the thank yous to this post to see. come on, don't be shy now... you know that you want to say thank you..

Markz, can you set up a poll of how many people are for the continued usage of karmas and how many against?

He's offered me another 50 already, but I don't have Karma Prime so delivery takes 10-14 days.

HE WON THE ELECTION!!!

Posted by stillgoing - 08 Jan 2017 19:04

We would like to extend a hearty congratulations to Mr. MARK Z. on the triumph of his long and exciting campaign to MAKE KARMA GREAT AGAIN! Although there have been voices trying to discredit his campaign, the people have been heard. It is now up to us to re-unite as a nation of karma givers. No more karmaphobias, no more name calling (we actually never did that, but who cares about fact during a campaign).

Mr. Mark Z. (formally ceo of facebook), we are looking forward to joining you are the inauguration party for the great karmagivers of the world. Lets smash that glass ceiling with a title wave of karmas to show the world that karma's will never be defeated again.

and mr mark, maybe I can be your secretary of state, in the new karma government?

It was not a campaign

It was a ruthless demonstration

Within an hour of announcing leaving the race (gye.com see "Make Mark A++ Great Again" thread) the news came in that the Great Wall fillerbusting karmania would come crashing down

Lesson learned?

If you're serious about recovery it will happen

If you're serious about Karma it will happen

If you're seriously considering to become S. of State, think again

Karl Marx

Karma is back

Why can you not see it? How are you accessing the forum?

If you're on mobile device - well it never was displayed, only on the user's page, and hopefully that will change too very soon

**I demand Minus Karma be restored**

Because now it's a playground.

When is gye gonna grow up??????

Without mentioning names, however I have a hunch the same **user with multiple usernames** is upping his own karma. Or 1 other guy is upping his consistently and it's not fair game. If he's trying to play a game which belongs on the chat room game field, not on the forum

I must repeat, when I joined gye this was a fun loving mature place

Its becoming a strict immature one
