MAKE KARMA GREAT AGAIN'!

MARK JUST POSTED THAT THE KARMA SYSTEM IS BEING GOTTEN  RID OF! QUICK, CALL YOU CONGRESSMAN, CORDSMAN, TRUMPSMAN, EVEN MARKSMAN. WE NEED TO DO SOMTHING.

let's be honest. How many people in the back, front or middle of their minds know that some small part of the reason that they post  is to up their karma count. We won't admit it, but let's count the thank yous to this post to see.  come on, don't be shy now... you know that you want to say thank you..

Markz, can you set up a poll of how many people are for the continued usage of karmas and how many against?

I happen to agree with the minus move. I rarely used it, but the plus karma does feel fake without the  minus.

Maybe cords idea, of a thumbs-up, thumbs-down on each individual post, as opposed to a karma based on the person himself.

Whoever read my post, please turn over and go back to sleepIt was a stupid request. It's never going to happen.This place became a playground

I probably was the only one to see the original post since I'm the only one borsesed enough to actually subscribe to this thread.

Oh well, I guess I sleep alone. Thanks for the snooze button Mark

SG your previous post is broken not quotable

KARMA is not a personality score.

KARMA is a helping score. Cord's is the most helpful fun loving guy here.

Anyone that has more than 1 karma should be proud of their contribution to mankind. Someone that takes a minus karma personally needs to ask their shrink what to do about that, not drive the.guard mad

     BTW, what is a karma?

A karma is like a truckma, only smaller.

But seriously, karma (at least here on GYE) is kind of a popularity measure. Meaning that if someone likes you or likes something you said, they click on the "+" under your name, and your karma goes up. And if they don't like you they click on the "-" and your karma goes down.

Someone emailed me a different place where you can see how helpful a member is.

Since we are the most humble and don't push our resume's we are not out to advertise that location, but it's open to all to see.

Karma is usually a good reflection of the positivity of a member. Again I'm not interested in promoting myself, and actually hate that I have to write this post

Many others have complained about the Negative Karma removal

**Another old timer emailed me tonight.**

Many old timers are upset why it was clicked out on whim

Can we please have it back, so that Karma will have its due respect

**I have a formal request**:

Anyone that doesn't want Karma should have the option of opting out and his karma won't show at all (The Devs know how to do this)

But if you're part of Karma you accept to see it swing. Lose some (as we all have), and gain some.

So please revert the plus and minus, as public opinion is for it

I'm not a registered pollster

Maybe you know how to do that...
