

MAKE MARKA++ GREAT AGAIN

Posted by Markz - 02 Jan 2017 17:58

UNTIL THEN I WILL BE ON LEAVE!!

GOODBYE

This is not a voting pitch for me

I don't care about my Karma

I care about other fellow gyes karma

There's no such thing as no negativity and no positivity. In life it's either up or down

I demand that PLUS karma be reinstituted, so that positivity be returned to the Forum

Until then I will not post for the next 6 hours as the law of karma, and may repeat this... until I hear good news...

To request Karma return please

gye.help@gmail.com

I think it's more likely to be considered if we do this as a group, so let's appoint SG - guys please Private Message him [here](#), and he will entreat the guard to reinstall Karma on Inauguration Day

The main issue is that minus karma alone can be removed,

but we need PLUS reinstated

.

BYE

Hey, how did you get the Royal Mail logo off your van? Is that even legal?

Contact your union representative to cast your secret ballot.

Watson is gonna get a a boost from 67 for his latest post [here](#)

So **Sing** I think that's the answer to your avatar question '*To write, or not to write?*'

Or was that a question whether to write your inventory...
