

What's up on WhatsApp

Posted by shua73 - 15 Mar 2017 05:18

Hey, I've found WhatsApp to be extremely helpful for accountability. Is there anybody out there that has the same or similar experiences and would like to create a GYE WhatsApp group or simply exchange numbers for accountability?

Message me or post a response if you're interested

Good luck

Here's my feelings many times when I have an urge and want to post quickly in order to stop the fall.
