

PETITION AGAINST SPLITTING UP THE WEBSITE

Posted by lionking - 15 May 2017 10:27

QUOTE FROM SHMIRAS AINYANIM EMAIL (1391):

Footnote by the editor:For the above-stated reason, GYE is in the process of dividing the website into two separate websites: one for non-addicts and one for addicts. We hope it's ready by the end of 2017, be"H.

I sign this petition against this idea. I consider myself a non-addict, but have gained tremendously from exposure to some great people whom are addicts.

Perhaps the.guard can set up separate threads specific for each type but leave access open so we shouldn't need to sneak in like the ladies. Also perhaps in the welcome email hevcan set up a short quiz to help people define where they stand.

Do we know if the forum is included in the split?

Good Point. I gotta learn to find out everything before issuing judgement, and even then to judge favorably. It is possible that some people might gain from a split site, I was just being selfish.

Who would gain?

I'm not arguing; just asking.

I wasn't stating an obvious, just a theory. "It is **possible** that **some** people **might** gain"

I posted somewhere else that they want to split the tools not the forums whatever that means...

Shlomo responded (I think) that pigeonholing oneself and not knowing what one is is not good....

Can we actually stop this splitting up thing? It would be so bad. Oy vey. I can't imagine the heartbreak and confusion this is going to cause. I emailed Guard. I really hope this doesn't happen.
