HOW DID YOU FIND OUT ABOUT GYE? - (oh, and Where are you from?)

_____

I think it would be very enlightening for us to know HOW you found out about us.

- Was it an on-line ad? If so, where?

- Was it a printed ad? What mag/newspaper?

- Was it an article about us? Where?

- A flyer someone hung up somewhere?

- Did you find it on Google by chance?

- Word of mouth?

- Therapist?

- Mashgiach?

- etc...

And if you are not too afraid of anonymity issues, it would also be nice to know WHERE you live... So for example, if people could post on this thread something like this:

"Where What When" magazine - Baltimore

- Did you find it on Google while looking for ***bad stuff***?
or something like that.

Thanks guys!

I had reason to fess up about my problem to a Kollel guy when I was in Yeshiva (needed to ask for Hataras Neder), and within a few days there just ***happened*** to be GYE signs on the walls in my dorm building...

There was a city-wide convention against the internet, in one of Eretz Yisrael's prominent chariedi cities. I was told that the ??"? of of that city stood up before a crowd of about 3000 avreichim, and recommended GYE's website to anyone "who needs it".

The real question here is who was it that succeeded in getting the ??? ??? of the city to spread the word?

i wasn't able to attend the convention, Guard filled me in afterwards...

Funny thing is, I don't remember. It was either a pop up ad on an adult site, or maybe the internet asifa? Ok def wasn't a pop up,, but there should be pop up ads like that. For a number of years I was working with tech & advised a lot of ppl on how to filter their devices. Many years later.... Here I am.
