

HOW DID YOU FIND OUT ABOUT GYE? - (oh, and Where are you from?)

I think it would be very enlightening for us to know HOW you found out about us.

- Was it an on-line ad? If so, where?
- Was it a printed ad? What mag/newspaper?
- Was it an article about us? Where?
- A flyer someone hung up somewhere?
- Did you find it on Google by chance?
  
- Word of mouth?
- Therapist?
- Mashgiach?
- etc...

And if you are not too afraid of anonymity issues, it would also be nice to know WHERE you live... So for example, if people could post on this thread something like this:

"Where What When" magazine - Baltimore

- Did you find it on Google while looking for **bad stuff**?  
or something like that.

Thanks guys!

Rage,

A mishionary once approached on campus while I was becoming frum, and said "all you jews are goin' to hell for not believing in yushka." I said "you mean, those who accept yushka will go to Heaven, and all those good jews who don't will go to hell?" He got all excited, thought he caught a fish, and beamed "THAT'S RIGHT!" So I said to him, "WHY in G-d's name would I want to go to Heaven when all my friends will be **SOMEWHERE ELSE?!**"

Really, I said that. If you've heard it in a joke, I'm the one who started it. I just hope they don't carve that on my matzeiva...

Anyway, how good are you in chess? We'll need some LOOOONG games....

I noticed the web address for kosher eyes from there I started looking around and ended up here.

MosheW, thanks, that's interesting. Does kosherEyes have a link to us?

No, though it's possible that they once did.

I am in the USA and I saw an add on Yeshiva World. It took my a few months to finally come on board. I was trying to stop all by myself. We all know what happens when we try that. Boy am I glad I found this site and blessed be those who help make it happen. I am 4 months clean. It is one of the miracles of ?????.

Sigh...I once played chess with someone who had the idea that to be a good chess player, you had to think REALLY long before each move. I'm talking, at least 15 minutes per move. I lost my queen a few moves in because I rushed my moves, figuring that that way, I could make the average time per move a bit shorter, and finish that one game before the year was over.

And as far as the ban...i agree with what many others have said - when the time comes that you're considering not going online at all anymore, you can ask a sha'ilah. Most of us ain't there right now.
