

HOW DID YOU FIND OUT ABOUT GYE? - (oh, and Where are you from?)

I think it would be very enlightening for us to know HOW you found out about us.

- Was it an on-line ad? If so, where?
- Was it a printed ad? What mag/newspaper?
- Was it an article about us? Where?
- A flyer someone hung up somewhere?
- Did you find it on Google by chance?
  
- Word of mouth?
- Therapist?
- Mashgiach?
- etc...

And if you are not too afraid of anonymity issues, it would also be nice to know WHERE you live... So for example, if people could post on this thread something like this:

"Where What When" magazine - Baltimore

- Did you find it on Google while looking for **bad stuff**?  
or something like that.

Thanks guys!

Forgive me for saying this, but I think it's an Atzas Hayetzer to even bring this up. Here's why: Someone much greater than our Gedolim, in fact **INFINITELY greater than Moshe Rabbeinu** has banned pornography, masturbation, and even worse activities. A lot of good that did us! If we can't heed the Ribbono Shel Olam's "Daas Torah," why are we becoming Frum all of a sudden?

I'm sure you know that a common saying is that if someone does not have respect for rabbaim who are avdei Hashem, he cannot have respect for the Ribbono Shel Olam. I guess that is one of the things that

I was thinking about.

I was searching for "Jewish Internet Filter" or just "internet filter". Something like that.

The truth is, "Large NY community" was more than enough to reveal your identity! :D

I think it was the eye catching drowning ad on YeshivaWorld. I am from a city in a small frum community in a state somewhere east of California and west of Arkansas.
