

HOW DID YOU FIND OUT ABOUT GYE? - (oh, and Where are you from?)

Posted by the.guard - 15 Dec 2009 12:05

I think it would be very enlightening for us to know HOW you found out about us.

- Was it an on-line ad? If so, where?
- Was it a printed ad? What mag/newspaper?
- Was it an article about us? Where?
- A flyer someone hung up somewhere?
- Did you find it on Google by chance?

- Word of mouth?
- Therapist?
- Mashgiach?
- etc...

And if you are not too afraid of anonymity issues, it would also be nice to know WHERE you live... So for example, if people could post on this thread something like this:

"Where What When" magazine - Baltimore

- Did you find it on Google while looking for **bad stuff**?
or something like that.

Thanks guys!

Let me share with the olom the hashgocho which brought me to GYE.

I was doing a Google search (safe setting) for Rav Aaron Felman's new book and I came upon the letter which he recently wrote regarding GYE. This was truely a matnas Hashem,because I was falling deeper and deeper.

Although now my new addiction is the forum,it's more fun.

I hold that there are tremendous opportunities to do Chessed B'Seser like the Borei Olom does

-l'hidomos b'drachav, and noshe 'bole chaveroh by sharing the pain of others and giving chizuk.

Silentbattle, I was upset to read this:

[silentbattle wrote on 28 May 2010 03:03:](#)

Yosef - are you implying that I'm a coward??!

CHAS V"SHOLOM, that I should suggest such a thing! Everyone knows that you are the bravest lieutenant in the Guardani Brigade!

Sorry, for making you think otherwise!

The problem was just that I am a bit uniformed in certain aspects of worldly knowledge. I had no idea that Yellow implies cowardice. [Although I am [glow=green,2,300]green [/glow]with envy when I contemplate your status...]

My comment was referring to **Briut** writing that he is blond & you replying with a few yellow smileys.

I didn't actually think you were implying that, although it does have that connotation (in fact, if you remember the old "mortal kombat" games, I believe that's why scorpion's outfit is yellow, some kind of dig on his honor.

Yes, I'm a nerd.

;D ;D ;D have a great shabbos!

Again I find myself with the wrong perceptions.

I always though that the title 'nerd' has negative connotations too, but if **Silentbattle** is a nerd then it must be a GREAT thing to be! ???

Where can I go to register for Nerd School. I always wanted to be like you!
