

HOW DID YOU FIND OUT ABOUT GYE? - (oh, and Where are you from?)

I think it would be very enlightening for us to know HOW you found out about us.

- Was it an on-line ad? If so, where?
- Was it a printed ad? What mag/newspaper?
- Was it an article about us? Where?
- A flyer someone hung up somewhere?
- Did you find it on Google by chance?
  
- Word of mouth?
- Therapist?
- Mashgiach?
- etc...

And if you are not too afraid of anonymity issues, it would also be nice to know WHERE you live... So for example, if people could post on this thread something like this:

"Where What When" magazine - Baltimore

- Did you find it on Google while looking for **bad stuff**?  
or something like that.

Thanks guys!

I'm in Israel. I found it when I googled for help. I can't remember clearly, but I think I searched with some Jewish reference.

Found GYE, or was it GUE, when I did a search for "Shmiras Einyayim", or som'in like tha',  
when I finally realized I needed more help.

I'm from the Tri-State area, home of the Free and Overtaxed, but until recently I was living in the  
state of Denial.

(oh, and what did YOU do on your summer vacation...?)

I found out about GUE on the yeshiva world (no, I'm not one of "them" but I do check it out from time to time for the hilarious comments). It took a while before I actually started to use the site, but at least I knew it was out there. Oh, and I'm from the other side of the world (a.k.a. somewhere outside of NY, though I'm in NY now).

A google search pointed me to a different frum internet addiction site which linked to GYE. This was back when there were only a handful of people posting. It's truly amazing to see how this place has blown up since I joined 1.25 years ago!

I'm in Texas yeeeehhhhhhaaaawww!
