

HOW DID YOU FIND OUT ABOUT GYE? - (oh, and Where are you from?)

Posted by the.guard - 15 Dec 2009 12:05

I think it would be very enlightening for us to know HOW you found out about us.

- Was it an on-line ad? If so, where?
- Was it a printed ad? What mag/newspaper?
- Was it an article about us? Where?
- A flyer someone hung up somewhere?
- Did you find it on Google by chance?
- Word of mouth?
- Therapist?
- Mashgiach?
- etc...

And if you are not too afraid of anonymity issues, it would also be nice to know WHERE you live... So for example, if people could post on this thread something like this:

"Where What When" magazine - Baltimore

- Did you find it on Google while looking for **bad stuff**?
or something like that.

Thanks guys!
