Dear Guys

I started receiving emails from Rabbi Shais Taub.

Rabbi shais taub is a scholar with lots of experience in this topic including his own book on addictions and the 12 step program.

Dear Directors and moderators please ask Rabbi Taub to get involved with the website. He has been in touch with Rabbi Dr. Twersky ZT"L.

I have personally sent him a message and he answered me.

Please look at the below links.

He also puts his classes on podcast, I really liked his two ones on how to work on yourself. Lots of relevant stuff there.
