

[POLL] How would you react to being recognized here by someone in real life?

Posted by Ano Nymous - 27 Dec 2009 09:01

I have an interesting question to ask you guys. I'd like to qualify the question here because I have more space. How would you feel if someone in your community, school, yeshiva, workplace, etc. who you have a good (NOT negative) relationship with identified you based on your posts on this forum? I'm assuming two important things here: 1) you are comfortable and on good terms with this person in real life and 2) this person is a FELLOW STURGLER [sic] who actively makes use of the forum and was not just a straggler reading the forum for some kind of sick thrill.

Would you:

- 1) Be mortified, and possibly deny that you were the person posting under said username,
- 2) Be happy to have someone similar to talk to about your issues in real life, and use this as an opportunity to get some real life support (partner up or something)
- 3) Be indifferent to the whole situation, and just acknowledge it and move on without any real reaction.

Please VOTE and POST an explanation for your choice. If you have any OTHER option that you feel should be included in the vote, please post it here and I will add it to the poll options. Thanks guys!! :D

I linked to the Ecco site, thank you. But the shoes there did not have anything fuzzy about them. They seemed to be plain leather with a nice polish (not **P**olish, but *polish*). They did not appear to be swede, let alone black velvet. This is very upsetting. Please explain.

Your lowly talmid and chusid,

Dov

So what are you doing about it? just 'fighting it' - that's what you have been doing for a long time already, no? So how has it been working for you, so far?

The shayloah is "what now?" If the old stuff is exactly what got you here, then what is your other plan now?

Hey - hatzlocha. I know your struggle and you are far from alone here...

Having few to no people to talk to in real life, anytime I find someone with whom I can go deeper than the norm, I swallow any embarrassment and use the opportunity.

Don't forget, if he knows who you are, it means he was here on GYE. That's 99% a good thing for your anonymity.

(Unless he's your future father-in-law)

It's a record. This is Dov's shortest post. He didn't say anything, not even one word, he only quoted himself. If he would only quote someone else it would be even shorter and show some good 12 Step humility.
