

[POLL] How would you react to being recognized here by someone in real life?

Posted by Ano Nymous - 27 Dec 2009 09:01

I have an interesting question to ask you guys. I'd like to qualify the question here because I have more space. How would you feel if someone in your community, school, yeshiva, workplace, etc. who you have a good (NOT negative) relationship with identified you based on your posts on this forum? I'm assuming two important things here: 1) you are comfortable and on good terms with this person in real life and 2) this person is a FELLOW STURGLER [sic] who actively makes use of the forum and was not just a straggler reading the forum for some kind of sick thrill.

Would you:

- 1) Be mortified, and possibly deny that you were the person posting under said username,
- 2) Be happy to have someone similar to talk to about your issues in real life, and use this as an opportunity to get some real life support (partner up or something)
- 3) Be indifferent to the whole situation, and just acknowledge it and move on without any real reaction.

Please VOTE and POST an explanation for your choice. If you have any OTHER option that you feel should be included in the vote, please post it here and I will add it to the poll options. Thanks guys!! :D

I vote for option 2 although I'm good without live support. It would be nice to share...

But right now I'm doing my best to make sure I remain undiscovered, especially with some of my recent shares, and also I like to stay within my 4square

Actually IT DEPENDS

This morning when the feature still existed to see the visitor count, there were like 699 guests and 24 users

1) guests will get the number 1 treatment from me

2) users = gyes / friends get number 2 response

No big deal.

What's the big surprise. I smell porn problems on people all the time. ... faulty humans that's all.
Just like me

Though I would still have healthy shame like a blushing luster

It really depends who that guy is. But generally I'd say #1 embarrassed.

Google Definition

em·bar·rass·ment

?m?ber?sm?nt/

noun

a feeling of self-consciousness, shame, or awkwardness.

Definition of nitpicking

Nitpicking is the act of removing nits (the eggs of lice, generally head lice) from the host's hair.

My friend could you revisit this thread after 90 days. I was full of guilt when I began. Something

changed after the wall of honor.

Your honor - whenever you're ready...

I would cautiously ask the other person how they want the relation continue

But if it was up to me I would be very happy to have someone to open up to

[POLL] How would you react to being recognized here by someone in real life?

Most guys I will be very very exited to meet in person!!!

For one or two guys I'll have to make a quick getaway, as they want my head - and I don't blame them

You mean they want your headlight.

I think the person meeting me would be shocked, being that I walk around with the entire chasidisher shmoineh b'gudim and I'm on GYE.
