(if this is considered not allowed, feel free to remove. I figured like this: this is very important to me. I don't have much social circles, don't have any social media. Just GYE! So here I am).

Please share with at least 3 people.

If they ask you where you saw this link, you can say: (pick whichever you think is best for you)

- On some Jewish news website (not a lie)
- On social media (also not a lie)
- Don't remember

Please share!

Dear everyone,

B”H We have surpassed 2000 signatures,

The response has been absolutely astounding - however we’re not done just yet. We need a law to be enacted, to prevent any more hot car child deaths.

Please sign and share now, to automatically email the Governor of Florida, Ron DeSantis,

Thank you
