---

Hi to Avery body,

1-This is the first treat i'm wrote here i just create my account, And i'm looking forward to GROW.

2-Thanks for all on this Chaburah

3-To the Point:

Can someone please advice me a great one, wile sitting in job with a good Whyte list and picture filter but...the mouse is running and things Happens..?

Thanks For all Again!

**3-To the Point:**

Can someone please advice me a great one, wile sitting in job with a good Whyte list and picture filter but...the mouse is running and things Happens..?

Thanks For all Again!

Hello Usher, welcome,

I once had a mouse like that, it was very frustrating indeed.
