

7Up, ice cream and sushi

Posted by 7yipol - 31 Dec 2009 19:28

I have a problem, and am hoping for suggestions on how to deal with it.

BH the forum has grown tremendously recently. Not only are there so many new members, but also a lot of posting activity.

Heres my problemo: In general, I try respond to most threads. But this is becoming harder and harder to do, and I just dont seem able to 'get there'.

Dont get me wrong; its not that I think anyone will pine away due to lack of 7up attention ch'v - my ego isnt that large yet!

But I do occasionally get emails or PMs asking me if Im ignoring them for a reason, or hinting broadly that they would appreciate a 'visit'.

Suggestions anyone?

The only thing I could come up with is starting a thread (where?) and whomever feels they 'need' a mom, or someone (me) to just write something totally useless and irrelavent on their thread can post a "heads up" and I'll stop by for coffee!

The same goes the other way; anyone not interested in my puny opinion or smily icon can tell me there too!

Thanks

7up

Do the best you can. I had the same thought the other day that I was getting overwhelmed by the number of thread I wanted to read. I happened to have missed one and went to bed, the next morning I got up and read it. There is only so much you can do. If you stay on the website to long you end up not living. KUTGW!!!

lol guard. Y'know, u shud have a thread where people can ask for ...uh...beatings with that bayonet?

Technical question:

Can I come to this thread just for sushi an ice cream? Or have I gotta pretend as if I need mom too? ???

Anyone have any good midnight snack to offer? Sharing is caring..

I've been looking for a thread to call home.

Bardy's has been home for a while, but lately he is heavy into this trucking thing, and its a bit much for me. Ya need to be tough for this trucking thing.

This looks likes a nice cozy place.

k

I have a feeling that I am missing the point of this thread...
