7Up, ice cream and sushi Posted by 7yipol - 31 Dec 2009 19:28

I have a problem, and am hoping for suggestions on how to deal with it.

BH the forum has grown tremendously recently. Not only are there so many new members, but also a lot of posting activity.

Heres my problemo: In general, I try respond to most threads. But this is becoming harder and harder to do, and I just dont seem able to 'get there'.

Dont get me wrong; its not that I think anyone will pine away due to lack of 7up attention ch'v - my ego isnt that large yet!

But I do occasionally get emails or PMs asking me if Im ignoring them for a reason, or hinting broadly that they would appreciate a 'visit'.

Suggestions anyone?

The only thing I could come up with is starting a thread (where?) and whomever feels they 'need' a mom, or someone (me) to just write something totally useless and irrelavent on their thread can post a "heads up" and I'll stop by for coffee!

The same goes the other way; anyone not interested in my puny opinion or smily icon can tell me there too!

Thanks

7up

can you give me a hand getting a list of emails to seminaries. It wouls also help is a girl wrote the email, it has such a different style of writing. You see my only knowlede of seminaries is what it says on the shidduch resume's I get (and even that is almost meaningless to me).

Any assistance will be much appreciated. We defnitely need some help from the 'other side of the mechitza' getting the word out. My payyos may be long, but there is still no way i can pass for a girl.

I can send you the email I'm sending out, so you'll have all the links to the site, haskamos, handbook, lighthouse, etc. Or you can send me the email you can get prepared, and I'll add the hyperlinks to the neccesary areas (and send it back to you, for you to do the mailings)

just have ppl make a list of seminaries, and then google them to find their email adresses
