

7Up, ice cream and sushi

Posted by 7yipol - 31 Dec 2009 19:28

I have a problem, and am hoping for suggestions on how to deal with it.

BH the forum has grown tremendously recently. Not only are there so many new members, but also a lot of posting activity.

Heres my problemo: In general, I try respond to most threads. But this is becoming harder and harder to do, and I just dont seem able to 'get there'.

Dont get me wrong; its not that I think anyone will pine away due to lack of 7up attention ch'v - my ego isnt that large yet!

But I do occasionally get emails or PMs asking me if Im ignoring them for a reason, or hinting broadly that they would appreciate a 'visit'.

Suggestions anyone?

The only thing I could come up with is starting a thread (where?) and whomever feels they 'need' a mom, or someone (me) to just write something totally useless and irrelavent on their thread can post a "heads up" and I'll stop by for coffee!

The same goes the other way; anyone not interested in my puny opinion or smily icon can tell me there too!

Thanks

7up

He has the chutzpa to say that with me here!!!! Hello, you aint related! and if you where, I still would highly recomend NOT sharing your 'internet troubles' with your sister. In addition to not listening to hers!!! Cmon, wouldn't that be just plain weird, if not grossly innapropriate?

SHALOM "bro" *attempting to keep a strait face*

I'm assuming that it's the ezras nashim coffe-room.

Try opening an account under a new identity, and posing as a gilr (good luck). I was always
wondering how they truly DO filter-out the boys

Yknow R moshe holds that a mechitza doesn't need to stop histaklus, we are supposed to do that ourselves. It's there to stop 'mingling'. So what's wrong with a glass mechitza???? (on the internet)

And guard himself said it was "like a one way mirror"???

don't bite the hand that feeds you we learn from our misstakes.

But it's not for my benefit, it's for the benefit of the girls who will get helped by this "program", and for the benefit of the girls already on the other side of the mechitza. So they should have as vibrant, 10 Kavim Sichah yardah laolam-Tishah natlah Nashim-Viechad **kol haolam Kuloh**, ok a much **much** more vibrant forum than the rest of us. Do **them** the favor, and help the site. I'm just

a shliach
