

7Up, ice cream and sushi

Posted by 7yipol - 31 Dec 2009 19:28

I have a problem, and am hoping for suggestions on how to deal with it.

BH the forum has grown tremendously recently. Not only are there so many new members, but also a lot of posting activity.

Heres my problemo: In general, I try respond to most threads. But this is becoming harder and harder to do, and I just dont seem able to 'get there'.

Dont get me wrong; its not that I think anyone will pine away due to lack of 7up attention ch'v - my ego isnt that large yet!

But I do occasionally get emails or PMs asking me if Im ignoring them for a reason, or hinting broadly that they would appreciate a 'visit'.

Suggestions anyone?

The only thing I could come up with is starting a thread (where?) and whomever feels they 'need' a mom, or someone (me) to just write something totally useless and irrelavent on their thread can post a "heads up" and I'll stop by for coffee!

The same goes the other way; anyone not interested in my puny opinion or smily icon can tell me there too!

Thanks

7up

Ooh; guests! Im so excited!

Too cold for ice cream in NY from what Im hearing. Hot choc instead anyone?

IT can have the cold 7Up as its pretty warm here in Israel.

tRyInG, you just snuggle up on the couch (blanket's over the rocking chair) and we'll see about comfort food for you, k?

No Bards, you may not park the truck on the front porch, I dont care how cold he gets!

Kutan, Im glad youve rejoined the trucking company, but Id be honored if you would use this thread as your official truck stop!

Yo Mom,

Just wanna tell you how impressed i am with your holy daughters, and especially Trying. If you want a good cry, please see her post on her Journal from about 9pm tonite. You would be so proud.

She really deserves a second bowl of ice cream, and a name plate over her end of the couch in your office.

Be well,

Steve.
