

7Up, ice cream and sushi

Posted by 7yipol - 31 Dec 2009 19:28

---

I have a problem, and am hoping for suggestions on how to deal with it.

BH the forum has grown tremendously recently. Not only are there so many new members, but also a lot of posting activity.

Heres my problemo: In general, I try respond to most threads. But this is becoming harder and harder to do, and I just dont seem able to 'get there'.

Dont get me wrong; its not that I think anyone will pine away due to lack of 7up attention ch'v - my ego isnt that large yet!

But I do occasionally get emails or PMs asking me if Im ignoring them for a reason, or hinting broadly that they would appreciate a 'visit'.

Suggestions anyone?

The only thing I could come up with is starting a thread (where?) and whomever feels they 'need' a mom, or someone (me) to just write something totally useless and irrelavent on their thread can post a "heads up" and I'll stop by for coffee!

The same goes the other way; anyone not interested in my puny opinion or smily icon can tell me there too!

Thanks

7up

There may have been updates to this, but I didn't skim through

Looking forward to feedback (thats an order!)

Additionally,

\*The only exception to rule #1 is "7Up", an [edit] woman who is known as the GYE Rebbetzin, who moderates the women's forum. Men may PM her and contact her by e-mail, to get a women's perspective on things - such as if they have issues with their wives or other such questions relating to the addiction.

And dont worry Yiddle; here on my thread anything goes.

At the great risk of losing any remaining anonymity, I have decided to make the following announcement:

I enjoyed the Mazal Tovs so much 2 weeks ago, that I have become addicted to them :-[ :-[ :-[

So once again, I will let everyone pile on the brachos as we celebrate the birth of my grandson!

I honestly have no words to even begin thanking HKBH for the tremendous chasadim. Worthy I'm not; but I daven that He sees fit to continue showering us with matnas chinam, and pray that we never ever ch'v take any of His chesed for granted or fail to appreciate every small part.

(I feel bad that I am not getting to reply to PMs and emails from this side, and at least want to explain why I may be slower than normal in. Thanks for understanding!)
