

7Up, ice cream and sushi

Posted by 7yipol - 31 Dec 2009 19:28

I have a problem, and am hoping for suggestions on how to deal with it.

BH the forum has grown tremendously recently. Not only are there so many new members, but also a lot of posting activity.

Heres my problemo: In general, I try respond to most threads. But this is becoming harder and harder to do, and I just dont seem able to 'get there'.

Dont get me wrong; its not that I think anyone will pine away due to lack of 7up attention ch'v - my ego isnt that large yet!

But I do occasionally get emails or PMs asking me if Im ignoring them for a reason, or hinting broadly that they would appreciate a 'visit'.

Suggestions anyone?

The only thing I could come up with is starting a thread (where?) and whomever feels they 'need' a mom, or someone (me) to just write something totally useless and irrelavent on their thread can post a "heads up" and I'll stop by for coffee!

The same goes the other way; anyone not interested in my puny opinion or smily icon can tell me there too!

Thanks

7up

May you get nachas from your grandchildren and your entire family!

May the new baby grow up to Torah, Huppa, and Maasim tovim!

May you enjoy many more smachot!
